

It's a beautiful  
world we've  
been given

From the top of the sky

to the ocean

It's a magical thing, a starry night

Feel, feel so small under a billion lights

It's a colorful,  
colorful world

Painted so bright

I wanna drink every drop of sunshine

Amazing life

Amazing life

Flying higher than  
I've ever dreamed

From the top of the world

I could scream:

Amazing life

Amazing life
